

PREPARATION FOR PERFORMING VAGINAL AND/OR ENDOCERVICAL SWABBING

INSTRUCTIONS

The examination is performed at the following sites:

Seriato: Mondays to Fridays from 09:30 to 11:00 by reservation at the counter;

Alzano Lombardo: Mondays from 10:00 a.m. to 12:00 p.m. by reservation at the counter;

Piario: on Mondays from 10:00 a.m. by phone reservation at 035-3066246;

Lovere: on Thursdays from 8:00 a.m. by phone reservation at 035-3067258.

No reservation is required for pregnant women

In the 3 days before the examination:

- Refrain from sexual relations;
- Do not perform internal vaginal washing or introduce any kind of medicine (ova, candles, creams, etc.) into the vagina

If antibiotic therapy is already being undertaken, terminate it and wait 3-4 days before performing the examination.

The examination should not be performed during the menstrual period.

Bring the results of any previously performed examinations.
